

Dear Middle School Parents,

Some students have in the past, or are currently known to carry a cell phone to school. Several of you have talked with the office staff and explained personal situations that required the students use of a cell phone before or after school hours. For these families we have made special arrangements to store the cell phone during the school day. On occasion a parent is surprised to know that a phone was coming to school. For these reasons we would like you to complete the information below. In this way, we will assist you with your personal family needs while continuing to follow our own school rules regarding restriction of electronic devices on school premises.

Thank you for your help as we continue to keep children safe
